

Great News for Schools: The Tax Advantages Have Increased

Use your 2012 Arizona income taxes to help your child's school!

Checks must be dated no later than December 31, 2012. Make your check(s), payable to "MCSF E-Fund," along with this form, to Montessori Charter Schools of Flagstaff
850 N Locust, Flagstaff, AZ 86001.

Date _____

Amount of Donation _____

Name(s) _____

Address _____

City _____

Zip _____

Your donation will be reported to the Arizona Department of Revenue. You will receive a letter in January thanking you for your donation; this letter will serve as your receipt.

Here's an easy way to benefit your income taxes AND you child's school.

The 2012 Arizona School Tax Credit lets your donation go directly to a public school of your choice! A tax credit is a dollar-for-dollar reduction of your tax liability.

Until this law was passed, you had little choice as to how your state tax dollars were spent. At last, you have an opportunity to make certain that it goes directly to educational programs that benefit children. Any Arizona taxpayer may contribute, regardless of whether you child is attending school. Please remind friends and relatives who pay income tax in Arizona.

At the Montessori School of Flagstaff, this money has funded our music program and other special programs. In the past, only 35 percent of our Montessori families have participated. Let's get 100 percent of eligible families to participate this year.

2012 Arizona School Tax Credit

It won't cost you a dime. You make a contribution the MCSF E-Fund then claim the entire amount on your 2012 Arizona state tax return and get it all back in the form of a tax credit.

Maximum Contributions

Married filing jointly: \$400

Individual filing single: \$200

You may donate any portion of those amounts up to your tax liability, which must be equal to or greater than the amount of your contribution.

For your convenience, you may make several payments throughout the year.

Here's how to do it — it's easy

1. Make out your check to "MCSF E-Fund."
2. Download a form, print it out, and complete it.
3. Mail or deliver your check and form to us.
4. File your 2012 Arizona taxes and claim your credit using Form 322.

We will mail or send home with your student a receipt for your donation in January 2013.

Please remember, the deadline for 2012 is December 31, 2012.

Thank You!
